Elecdura

Alternators, Starters & Turbochargers Supplier

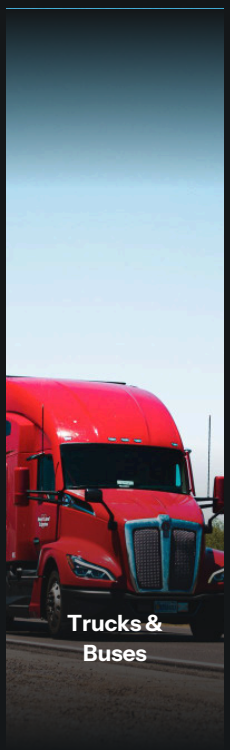

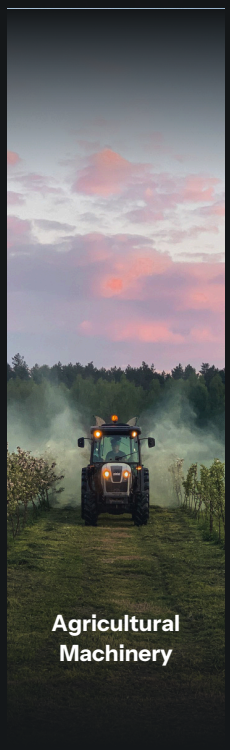

Passenger Cars

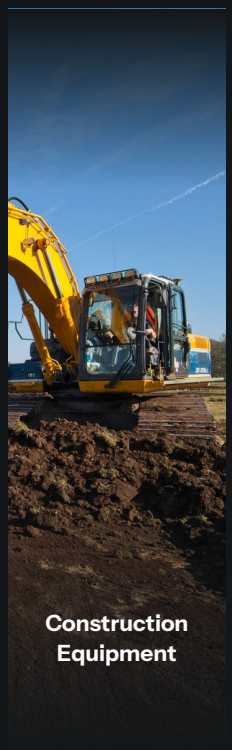

Light Commercial Vehicles

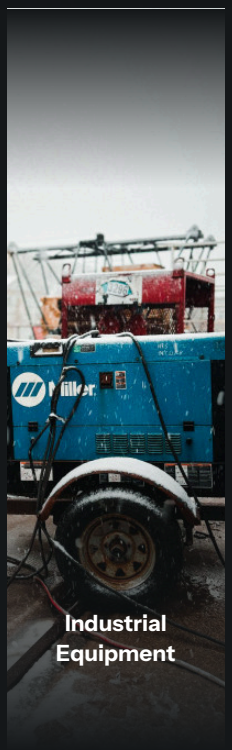

Trucks & Buses

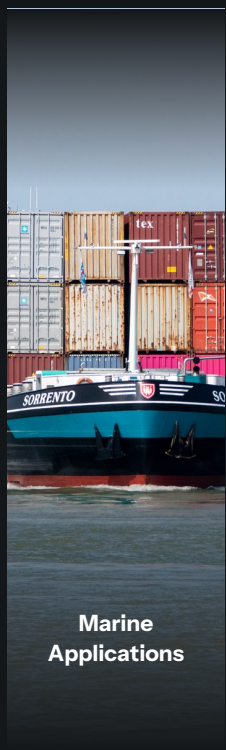

Agricultural Machinery

Construction Equipment

Industrial Equipment

Marine Applications

Built for your business.

Practical support for wholesalers and distributors, from sourcing and stock planning to business growth.

01 Source.

Competitive pricing.

Consolidate categories and SKUs with one supplier to reduce buying costs and time spent sourcing.

Broad application coverage.

Buy across vehicle brands and applications through one partner, from starters and alternators to turbochargers.

02 Stock.

Inventory support.

Substantial inventory helps you plan replenishment, keep products available and improve stock turnover.

Flexible payment terms.

Payment terms are available to approved customers, supporting purchasing plans and cash flow.

03 Grow.

Development & promotions.

New-product development and pricing support for regional and customer promotions, backed by 10 years of experience with major customers.

Market-specific advice.

Recommendations on products that sell in your market, including popular starter and alternator ranges in Russia.

Your aftermarket supply partner.

STARTER & ALTERNATOR SAMPLES

SUPPLY NETWORK

Elecdura is an automotive aftermarket supply partner for overseas wholesalers and distributors. Our core range includes starter motors, alternators and turbochargers across multiple vehicle brands and applications. We help buyers coordinate their sourcing through one team.

Our team coordinates product selection, stock planning and commercial support. With 10 years of experience working with major customers, we build supply relationships around your market and purchasing plans.

WHO WE SERVE

Wholesalers & distributors.

OUR CORE RANGE

Starters. Alternators. Turbochargers.

HOW WE WORK

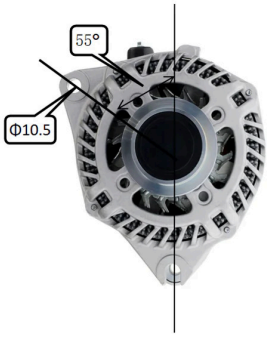

One partner for ongoing sourcing.

Source. Stock. Grow.

From selection to shipment.

One point of contact for product requirements, packing preparation and dispatch coordination.

01 Product selection

Example fitment reference

Share OE references, vehicle applications and quantities to define the right product mix.

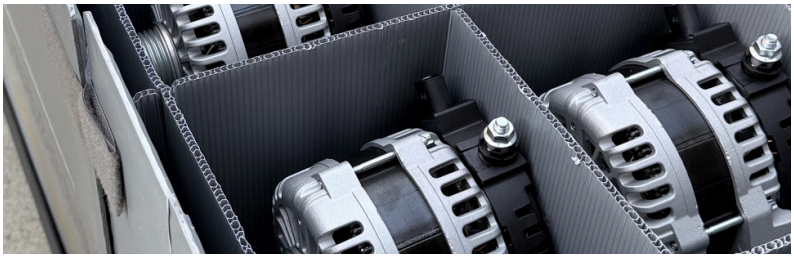

02 Quality support

Supplier testing area

Review product specifications, sample requirements and supplier testing information with our team.

03 Packing preparation

Individual product compartments

Plan product protection, packing formats and carton details around the requirements of your order.

04 Shipment coordination

Container-loading preparation

Plan stock availability and dispatch around your purchasing schedule.

Source. Stock. Grow.

Starter motors.

MULTI-BRAND APPLICATIONS

For MERCEDES-BENZ
OE **A0051516501**
C230 / C280 / E350
12 V / 1.4 kW / 10T

For FORD
OE **AB39-11000AA**
Ranger T6 2.2L / 3.2L TDCi
12 V / 2.5 kW / 12T

For BMW
OE **12417521122**
X3 / X5 3.0
12 V / 1.1 kW / 9T

For HONDA
OE **31200-5A4-H01**
Accord IX 2.4L / 2013-14
12 V / 1.6 kW / 9T

For VOLKSWAGEN / AUDI
OE **02E911023J**
VW 2004-13 / Audi A3, TT
12 V / 1.1 kW / 10T

For LEXUS
OE **28100-38080**
5.7L V8 / 2013-16
12 V / 1.5 kW / 9T

For MITSUBISHI
OE **ME017034**
4D30A / 4D31
24 V / 3.2 kW / 9T

For GREAT WALL / HAVAL
OE **3708100A-ED01**
Hover H5 / H9 / H6 - GW4D20
12 V / 2 kW / 9T

For LADA
OE **2101-3708000**
Niva VAZ 2121
12 V / 1.3 kW / 11T

For CHERY
OE **F4J16-3708010**
Tiggo 7 Pro / Arrizo 6 Pro
12 V / 1.4 kW / 13T

For TOYOTA
OE **28100-17091**
Land Cruiser 70/80/100
12 V / 2.5 kW / 12T

For CHEVROLET / DAEWOO
OE **95375198**
Matiz / Spark / Damas 0.8L
12 V / 0.8 kW / 8T

For TOYOTA
OE **28100-03070**
Camry 2.2 / 3.0
12 V / 1.4 kW / 13T

For HYUNDAI / KIA
OE **36100-42250**
H1 / H100 / Pregio - D4BH
12 V / 2.2 kW / 10T

For CHEVROLET
OE **12655467**
Malibu 2.0L / 2.5L
12 V / 1.3 kW / 11T

For RENAULT
OE **8200741476**
Grand Scenic / Megane
12 V / 1.4 kW / 11T

For NISSAN
OE **23300-1KA1A**
Micra / Versa Note / Tiida 1.6L
12 V / 1.2 kW / 10T

For CHRYSLER
OE **04801852AB**
300 3.6 V6
12 V / 1.3 kW / 9T

For IVECO
OE **5801394025**
China IV applications
12 V / 2.0 kW / 10T

For BYD
OE **371QA-3708020**
F0
12 V / 1.2 kW / 8T

For GEELY
OE **113600018059**
Emgrand EC7 - 4G18
12 V / 1.4 kW / 9T

For ROBIN SUBARU
OE **263-70505-J0**
